“ I am so heartbroken to know that Monica is no longer with us. Monica loved me as though I was her daughter. She really loved me- she never judged me- and never gave up on me- she understood me- and was always encouraging- I am so blessed because Monica was a part of my life and my children's life. Monica would have given anything to make sure someone felt loved and wanted. I am so thankful she called me to tell me she invited Jesus into her heart- and was baptized- she and I would pray together these last couple of months- and it was a joy to hear her faith grow stronger day by day- I am forever changed because the Lord allowed me to know such a sweet, precious woman- Monica did not care what you wore, how much money you had- what your past was- she just loved- she loved- I miss her- and I cannot wait to hug her in Heaven-##imported-begin##Rebekah Roehm Prince##imported-end##
