“ Heartfelt thoughts are with you at your time of loss. Ms Joy was a beautiful person whom I had the honor of working with at Panola Nursing & Rehab in 2002. She was a professional and a lady of true integrity. People of her demeanor and character are truly rare - your family was blessed as we were at Panola during her tenure.##imported-begin##Felicia Newson##imported-end##

“ I worked with Joy at Panola Nursing for a few years until she retired. At that time we kept in touch through the ball games at Beckville High School! Then it was through email. I lost contact for several months but then I ran into her at Walmart or HEB a few times and we would catch up! Joy was a wonderful person, co-worker and friend! She loved to talk about her family and how bowling was. She will truly be missed. My thoughts and prayers are with you as you go through this difficult time.##imported-begin##Debbie Vaughn##imported-end##

“ Joy and I became friends after being in Sunday School together in 2005, and also as a Bunco Buddy the last couple of years.

She enjoyed being with her family and friends, loved her church and the Lord.

To be around her for just a short time, you would immediately like to be in her presence.

We will all miss her very much.##imported-begin##Johnnie Heflin Melton##imported-end##

“ We share in the sadness and loss that Joy's death brings to so many. As Class of 1960 classmates at Beckville High, Joy and Larry were longtime friends. We are so glad to have spent some precious time together when we visited with many classmates and friends in May. Joy was especially sweet and welcoming to Fay who was making her first visit to Texas. Joy made sure Fay was included in all the talk that came with such a fun reunion. Joy was a special lady with a sweet heart and spirit.##imported-begin##Larry and Fay Smith ##imported-end##
