“ *Well, I'm not going to be really sad because I know where you are ...but me, you and Pam won't get to be in the nursing home together and make trouble like we planned. I know you will have your two story mansion..decorate it really pretty and I'll see you when I get there. You are a really special person and I love you very much...*

I am so sad to hear of Nan's passing. She was such a beautiful, loving, mother-in-law. She was close to God and we shared many prayers between us but unfortunately moved apart from each other. I missed her then and will miss deeply now. Prayers of peace go out to the family.
