“ My grandmother was an amazing woman. To have known her is to have loved to her. She had a fiesty personality and a never ending love for her family and friends. She and her husband, Jim, had a love affair that everyone dreams of. I am comforted in knowing that she has joined him, just behind the moon. I am certain that together, they will watch over me and my family. She loved my father more than the world. She loved me with everything that she had. My two children were the sparkle in her eyes. Her niece, Gail, was the daughter she never had. I will miss her everyday for the rest of my life, but she gave me enough love, to endure that time; I am a better person because of her. May she rest in peace with all of her loved ones that preceeded her...##imported-begin##Holli Gregory##imported-end##
