“ *Nina is one of the most precious people I have ever known, I will always cherish her visits at The Hobby Horse! She would bring her sweet poodle in and was always so kind. I am so grateful to have known her and am happy that she is reunited with her boys and family that she loved. Bonnie Pauler*

Nina was such a sweet lady' I remember so many good times with her, from waiting on her at Matthews Dress Shop, going on band trips when I was in High school, to seeing her at SW Bell. She raised sweet boys and always had a big hug when I saw her. Pam and Lynn and rest of the family, my prayers for comfort!
