“ Bro. Noah Luman a great man of God, baptized my Mother and Daddy in the Sabine river in the late 1950's. He also had church services in a store front building around this time! My twin sister and i was born during this period, so I only hav memories past down from my mother Cleo Curry.. mama had been attending the Pine Grove Assembly of God Church out of that ball to a 3 miles up toward the Sandhills. She had received the gift of the Holy Ghost there, but at a later time she was reading her Bible at home and God reveal to her the Revelation that she needed to be baptized in the name of Jesus Christ. She began to pray that God would lead her 2x Jesus name preacher that would baptize her correctly. If I understand correctly met Bro.. Luman call standing in line at the First National Bank in Carthage Texas. He began to visit with her, it came to light during their conversation that he was a Jesus name Minister and he would baptize her and my daddy in the name of Jesus Christ.

She never forgot this Miracle and she shared it on a regular basis throughout her life, even the last few years were she had dementia so bad that she did not always recognize her children she could always tell you about her spiritual experience!

What a heritage Bro. Luman left all his family!
