“ Olean was a pal from the class of '63. Beth Brown and I traveled with Olean to lunch at Caddo Lake.if we laughed once, we laughed 50 times. Olean was a true, honest person who had a down to earth appreciation of all life had to offer. I told her she was a real original, and she was. We shall all miss her, but weren't we fortunate to know her! Condolences to her family; the tributes from her grandchildren were really moving. Flowers for you, my friend, in celebration of a life well lived.

“ What a personality! Got to visit with Olean during our 50 year class reunion last year. She was the same life of the party. Was looking forward to another moment in the sun with her at out next class reunion. Just keep laughing and smiling Olean. Sorry for the family loss. Her energy will live on and be remembered by many friends and family members.

“ *To the entire Luman family, my Dad and Mother, Jeff and Mollie Lout were more like family than friends. I shall never forget all the bar be que goat and fish fries together. Most of all my mother received the Holy Ghost while being a member of their church. Olean always kept us laughing and made us feel so special. “ I cannot put into words the love and respect that I held for Sis. Luman. She was always there for me and my family. We have laughed, cried, and prayed together. I will always remember the fun times too, the times that she and Bro. Luman, Cynthia, Rosia, and Bud would share Sunday lunch with us after church that Daddy Bear often grilled for us. There are so many memories that there isn't enough space to put them. I just wanted all of you to know just how special she was to us and how much she will be missed. We loved her with all our hearts and will be praying for you.
