“ Ovvie Nell was in our class of 1953. We've always tried to stay connected and have class reunions every 5th year. She was a sweet, kind girl and would have enjoyed being able to attend more but distance makes a difference. So glad that one of our members, Jane Crump Bogue, mailed her our reunion book for the reunion we had in April of 2013.

My thoughts and prayers are with the family. LaVerne Wall

“ Ovvie Nell was a member of our class of '53 of CHS. Even though she lived so far away and we did not get to see her like we did a lot of our classmates, I remember her smile and her freckles. She sent me a note years ago and said she thought of her friends and times at CHS often. Jane Crump Bogue
