“ I am a 1st cousin to Marie, and grew up very close to Patricia but lost contact over the years. I learned of her passing when my Mother recently passed away. I saw her grave there next to Melton. I loved both of them, and it makes me very sad to know they are no longer with us on earth. My prayer is that I will see them again one day in Heaven.##imported-begin##Linda Davidson Evans##imported-end##

“ I especially remember Tricia because she came each day to help with the food during the building of the park in Ore City near the Community Center. A brick with her name is one of the bricks laid in front of the park. Of course I remember many things about Tricia....the many times Richard and I were in her home and how she was always the same, always pleasant, friendly, and upbeat. I am so glad to hear that she did not suffer for a long time. And I will miss her. Nell Freedman###imported-begin##Nell Freedman###imported-end##

“ I am so grateful, to have known you, Mrs. Trish. I feel so blessed, to have been a small part, of your family's life. I know you have been greatly rewarded, for the compassion and care, you have given others. Even at your weakest, you were determined, to put others needs ahead of yours. May you finally, rest in peace, Mrs. Trish.##imported-begin##laurie hall##imported-end##
