“ Leo, Lavon, Tim, Paul and families: Our prayers and thoughts are with you. Your family is very special to us. It just seems like yesterday when our son Ralph Micheal was a baby and she was keeping him. I think she just sat and held him and loved him Now he is grown with his own family but she was so special at that time in our lives. May God comfort as only he can.

“ My Aunt Peb was quite a woman. I loved that look she would give after you said something and you knew you were either in trouble or she was about laugh that wonderful laugh. When I was little I would run up to her and call her "Pebble Clyde" and she would chase me. She never caught me and only pretended to be mad of course. I was six years old when came into her family but she always loved me just like I had always been there. I will miss her but I am so happy about where she is now. She is with her Jesus whom she loved and served. I love you Aunt Peb.

“ Dearest Leo, Tim, Lavon and Paul...just want you to know you're in my thoughts and prayers. No doubt she's in a joyous state that we can only imagine. This side of Heaven, there's really not any soothing words in a surreal time such as this except to remember in God's family, there are no goodbyes! Love you! Mark

“ We are so sorry for your loss. When we lose a loved one our heart breaks, but we can take comfort in knowing that their bodies are fully restored to when they were young and healthy. After momma died she and daddy came to me during the night and they were happy, healthy and together. I took so much comfort in that. Love and prayers to you all.
