“ *Mark's heart was as big as Panola County, he seemed to care about everyone he knew and that was a lot of folks. We enjoyed the once a month eating meetings with "the gang" listening to some of Mark's tales!! Although he felt bad physically, he always knew how to make us laugh. I know you girls are going to miss him so much, our whole community will. You are in our thoughts and prayers.*

Robbie Sutlive Mark's passing will leave a definite void in this county. He was always such a ready and reliable source of information on cemeteries and the people buried in them. My son, Jerry, and I truly loved Mark Burleson. In fact, most of the people in Panola County loved him too. What a tremendous loss this is, to all of us.

Robbie Sutlive - March 31, 2017 at 05:45 AM

Thoughts and Prayers to Mark's family. He was such a caring man... who was there for my family on many occasions. He always had a smile... a hug... and usually some off the wall comment to make you laugh! He will be missed. <3

April Young - March 31, 2017 at 07:46 AM

My condolences and prayers are with the Burleson family at this time. Mark was one of the greatest most congenial men in Carthage. His death is a loss not only to his family and friends but too all the people of Panola County.

I have known Mark for years ever since we worked together at Panola General Hospital. Mark was an ambulance driver back then and would entertain everyone in the office with his crazy stories and jokes. I remember one Sunday morning I came to work on my birthday and could hear all the phone lines ringing on the hospital switchboard as I entered the front door. I didn't know what was going on since the switchboard was supposed to be turned off until I got there to open it for the day. I hurried in to unlock the office door and get to the switchboard only to find the office covered in those sharp bull nettle plants. I was thinking how on earth did these get in here, and how am I going to get past them when I looked up to see Mark laughing his head off. I told him to get those out of there! He asked, "Don't you like your birthday present?" That was classic Mark, always having fun. I know Mark will be missed by everyone who ever knew him, but he will be especially missed by his family whom he loved very much. I was blessed to know Mark, and I pray God wraps His arms around Mark's family during this time and comforts them as only He can.
