“ There are so many memories that have flooded my mind today. I do remember Halloween when Richard, Randy, Jim and I would get our pillow cases and go for the Candy. Also, when Papaw would bring back a truck load of cantaloupe to take to the stores. All of us would get our 2 or 3 cantaloupes and ride around the neighborhood selling them for a quarter. I always felt safe around those 3. RIP Randy, Love you always.
