“ Randy will be deeply missed by anyone that knew him. He was a great man, who loved and cherished his family.

What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you passed away, but you had lived. And that your life gave us memories too beautiful to forget.

My deepest sympathy to the Hodson family, you are in my thoughts and prayers. RIP Randy, I love you.##imported-begin##Krista Newton##imported-end##

“ I'm going to miss my (old) buddy. I knew him from work which was
over 16-17 years. I know how much he loved all of his family and
the daily crap of work that makes us share the reason we work with
our co-workers. During this time I watched grandchildren coming in
his life
and the caring man he was to his family. R.I.P RJ. We all are so
lucky to have Randy in our lifes and I will always smile thinking
about your laughter you brought to all us.##imported-begin##Diane
