“ I'm so sorry to learn of Ricky's passing. He was one of my very 1st friends growing up. We played baseball, football, basketball, road our mini bikes, Honda Trail 70's all through the woods behind our house on Kellogge & plenty coon hunting with P.L. Milam. I only saw him occasionally around town. We lost touch through the years. I thought I passed him on a bike by the post office on 10 not long ago. Kinda got pass me & I realized it was him probably coming in from Gary way. We had some great times growing up together. My prayers to his family & may he rest in peace. My Friend

“ Ricky we will miss your sweet smile and your sense of humor. Have never heard anyone that had anything bad to say about you and that is so rare. That tells us that you lived what you believed and we know you are now enjoying all the promises that God has made possible for us. Prayers for all your family in the days to come but we will see you in a little while.

“ Ricky was a man of few words, I've only known him for 5 yrs. But he was very kind and loved his family. We had just talked last week about him retiring. He had just retired and was looking forward too, him & Ms Kay doing stuff. I just cannot believe it, still in shock. Trae thought the world of him and just recently he had told him how to fix a place on his truck. The Good do die young, I'm starting to think that more & more. I'm so sad for his family. But I do know with out a doubt he is with Jesus. That is a very comforting feeling knowing without a doubt that he is with our Lord. RIP Ricky we love you & will truly miss you. Trae & Cindy Stuart
