“ We knew Ms. Rita and Mr. Ray in the late 70’s. We were the very end of the FairPlay Water Line across the Rusk Panola Line. Every time the wind blew we were out of water or they would deliberately turn off the pump, thinking lightening may hit it and the entire system would be out! We had many calls and talks and we were very young. But Kathy, your Mother was always so kind to us and helped me understand how things worked in the country. I grew up in the bright lights of the city of Houston. Had married and moved here just one month over my 18th Birthday. I thought David Chapman had brought me to the end of the world, a very dark world! Your Mother helped me in more ways than I can count. I’m sure she is getting crown 👑 this day. Our sincere sympathies to you all.
