“ Me and Bumper Jack had a lot fun riding around town in his car or on his motorcycle in our younger days. As adults we had fun reminiscing on the past and talked of business and some stuff just between him and me .God blessed him to live as long as he did with his illness. Actually I think it's was a miracle. R.I.P. my friend.

“ Bumperjack is the name my family remembers you by, It was a sad day when my son, Bryan, told me of your passing. I cried. You are the only friend of my son that I remember with fondness. You knew me as Bryan's mother, Carolyn Langford.
