“ I am a class mate of Robert's from LaMarque, class of 1975. I have just learned of Robert's death a couple of years ago. I want Robert's family to know what a great guy he was. Robert would drive over to my house and visit me and it didn't matter that I was African American, (Black and he was White). We liked each other and shared a love of cars and that was all that mattered. I went to college, joined the Navy and lost touch with my buddy Robert, but never forgot him. Much love to Robert's family and friends.

“ Condolences to Robert's family. We grew up together in the same neighborhood, in fact he lived across the street from my family. He was a very sweet guy and I remember him laughing and joking all the time. Praying his family will have peace and strength knowing he's with Jesus now.

“ Sorry to hear this. My condolences to his family. Robert and I grew up in the same neighborhood in LaMarque. We used to catch turtles and snakes in the ditch near the railroad tracks, among many other adventurous things. I know he will be missed. Prayers for his family!!!

“ Rest Easy, Robert Wayne Hill--you were one great, reliable friend. Our DECA class in high school was where we met and became partners in surfing, Le Q poolhall & saloon, signature cars, audio systems, girlfriends, and hailing many rock concerts, even working for Pace Concerts West security detail for all Houston Venues--that was our best of times.
