“ I will always cherish the stories you told us when we were little while visiting grandma and pawpaws house. You would go in great detail and keep us entertained for hours. Only to know you were fibbing when it would have an absurd ending, you would have us all laughing. You hold a special place in my heart and I know we will see each other again one day. I love you Uncle Robert.##imported-begin##Ashley Cuello##imported-end##
