“ Dear Ones,
My thoughts and prayers are with you and you have my deepest sympathy for your great loss of Robert. He was my dear and precious friend ...he worked in my salon and boutique in Houston years ago(Linda Lane exclusive style center). He cut my hair and was a close friend even before he worked in my business. No one ever before or since could cut hair like he did. We have kept in close touch although we haven't seen each other since he and I both left Houston...he to Carthage and me to Haskell in west central Texas. He was a cherished friend and I shall miss him and look forward to the day when we can see one another again face to face...until that day he will live in my heart and many of my wonderful memories. May God's Blessings comfort you all,

“ Robert- I will miss you dearly. You brought so much laughter and boldness to our office when you came in to see me, Dr. Fowler, Pam, and Ida. I always had a smile on my face when I saw you were on my schedule. I had the pleasure of knowing Robert for several years as his dental hygienist and was also one of his many clients. His love for his family, friends, and his beloved Ethel and Lucy was very touching. He is forever in our hearts and our prayers. “ I'll never forget the first time I had an appt with Robert at Shear Graphics in Houston. I had no idea at first who he was until he started talking about his home town in East Texas. Being from East Texas, I asked him where he was from and, of course, we both immediately realized we knew each other and that our Dads had also worked together. What a small world. Both my daughter and I continued to see Robert until he moved back to Carthage. Will remember his great sense of humor and all the stories he had to tell. He loved his family dearly and know they will sorely miss him. My prayers are with Robert's family. Peace be with you.##imported-begin##Patty Reed Fagan##imported-end##
