“ BROTHER - What chance did we have with so many years between us? Even though it took many years for our relationship to grow, I was always your sister, not your half sister or Dad's daughter. You took the time to know my son. Sinjin was always very excited when you and Aunt Tess came to visit and when he got to chat with Uncle Roger on Facebook. Thank you for loving me and my family and I'm sorry we didn't have more time. I love you with all my heart and I will miss you always.##imported-begin##Bobbi##imported-end##

“ I would like to send my condolences for your loss. The death of a loved one is a difficult and trying time but remember to draw close to God in prayer. His word promises us that He will be there to comfort us. Psalms 34:18 states that God is “near to those that are broken at heart; and those who are crushed in spirit he saves.” He has promised to soon “swallow up death forever...and wipe the tears from all faces.” (Isaiah 25:8) With deepest sympathy may these words bring you comfort.##imported-begin##Ric##imported-end##
