“ *I worked with Ron at the Bastrop County Sheriffs Office when I was in dispatch and he was our TABC Officer. He always had a smile and never failed to tell me good morning if I met him in the hall. In my book he was the best and we all missed him when he left. RIP dear friend. You will be missed for sure*

“ I have loved Ron since he ran around the store on the square. He was one of those students that you look forward to come into your classroom everyday. I would laugh the rest of the day about things he said and his interaction with the other kids. I was so glad to have the opportunity to have his children in the library. Ron was strlight up and a straight shooter all the time I hVe known him. He was a great student and a better friend. I pray for healing for his family, Ron is in a far better place.
