“ Ronnie was always a joy to be around. I remember when my granddad Raymond King was in the hospital in Childress, Ronnie and Leonard came up to visit him. During difficult times, it is good to have the support of people who care. I will have fond memories of Ronnie always.

“ My last memory with Ronnie was when I came for Leonard’s birthday. Thanks Ronnie for picking me up at the airport and acting like you were thrilled to do it. You also said it was no trouble to get back in Houston traffic and take me back to catch my return flight home. We both knew it was a lot of trouble 🙄 but we enjoyed talking and laughing. You were a great cousin and will be missed.

“ *Ronne was a dear cousin and friend. We were close at the family reunions. He was 63 and I am 64. Since we were close to the same age, there was always a closeness with us, from early ages as small boys. He was always funny, and had a joke or two to tell me. He was always helping at the reunions, icing down canned drinks or water, carrying out trash, setting up tables, sweeping, or whatever was needed. Ronnie was joy. He's in a better place now. No more pain and suffering of any kind. He'll be missed by all of us. May God Bless Dona, Ronnie Jr, Cora, all the grandchildren, Sandra, and Brenda with Grace and Love and Peace.*
