“ As an inlaw, I absolutely LOVED Sadie! She always made me feel like one of the family. My favorite memory of her was having Sunday lunch after church services. She cooked a chicken dinner from scratch within 40 minutes. We laughed and had a great time. Will never forget it. Even though I couldn't be at her funeral, due to pain, I will always remember her fondly!

“ *My most vivid memory of Aunt Sadie is of her playing the piano. She could knock out a mean boogie woogie. There was joy in every note! Peaceful rest, Aunt Sadie. Paul, Brenda, and Don let your memories wash over you and bathe your souls in comfort. Love you all.*

“ There are so many memories of dear Sadie, but what comes to mind when I think of her is her smile. She lit up the room when she smiled, brightening everyone's day. You could see the love she had for you in her smile and the depth of caring in her eyes. She welcomed me as a true sister to the family when I was a young nervous bride and always made me feel so loved. We will miss you dear one. All our love to the family. Becky Smith

Sadie my sister, I remember so much, all the wonderful times we spent with you and your family. Your home was my 2nd home and the memories we made together I will cherish for the rest of my life. I love you. Love and hugs to the entire family. James Smith

“ Thank you, Aunt Sadie, for all the time you spent with this misguided teen. Our talks, our laughs, our silent times, helped me more than you could ever know. Thank you for taking us in and caring for us for that never-ending summer and beyond. For that alone, I owe you much but I also knew you'd be there should I need you. You were such a dear and I will remember you to my last breath. Scars are taken with us but our love remains behind. You have left us so much love...

“ Oh My,
I loved this kind, caring, compassionate woman.
I was the first of three children. She was very young when I was born and told many folks through the years that we grew up together. You did good mom. It was a great trip. I'm glad you are not broken anymore. Rest well.

“ Sadie was my older sister. She was like a second mother to me. She was very intelligent and a hard worker. I loved her so much! Rest in peace, sweet one.
