“ Scott was not only my boyfriend but my best friend. We had our ups and downs. But he could still make me laugh. I could never be mad at him long and he knew it. I love you babe. And I miss you.

“ Wayne, this is your cousin Judy Ferguson Jergins. I am so sorry. You have been through so much. You and your sweet family are in my prayers. Not an hour goes by that I don't lift your name up to the Father who loves you. He has healing in His wings. He said He would cover us with his pinions (feathers) like a mother hen covers her babies. We don't understand but one day we will see, but for now let God carry you through this grief and hold on to HIM.....Love you, Judy

“ Scott I remember all the fun memories we had when my grandparents would take me to Victoria when I was little, I remember giggling and sometimes fighting, I remember building snowmen at the snow fall ten years ago. It breaks my heart that you went so fast but I know you are in a better place. I imagine Aunt Eva greeted you as you entered heaven, enjoy your time we will see you when it is our time. Make sure you send signs to your mom every once in a while, she really loves you and misses you.
