“ I have been so blessed to have known Stephanie over these past 5 years. My husband and I were on a bicycle trip in 2018 that took us through Carthage. We stayed at the motel where Stephanie was working, and that was where I was blessed to meet her. From that point on we kept in contact with each other and texted almost daily about our journey with the Lord. She had such a love for the Lord and that love carried over in her love for her family and friends. Over the last couple of years she suffered a lot of physical pain, but she continued to stay strong in her faith. She had one of the most pure and honest hearts of anyone I have ever known. As I write this I am missing so much the precious impact she had in my life. I look forward to seeing her again in our heavenly home.

I send my condolences to her family and friends. She loved you all very much.
