“ *We only met 3 years ago when we bought our ranches and never stopped hanging out, we hunted together every chance we got, we shared everything from laughing endlessly through the night to stories about each other's lives and everything in between. I will always hold those memories close to my heart. Its been an absolute honor having you in my life. May you rest in peace my brother.*

Thank you for teaching this surfer - skater Girl how to shoot her first shot Gun and go off the grid. Thank you for praying with me. But, most of Thank you for sharing your heart with mine. Yes , As we both said in our last conversation we got cheated. But, in reality we didn't. We shared a love that Poeples never do in a live time. So with that being said.
