“ I was so sorry to hear of the passing of Ted. We worked together for many years and he was always there to help fellow employees. He had a dry sense of humor and his hunting and fishing stores were priceless. To Sandra and Michael my prayers and thoughts are with you and your family.

“ I didn't know Ted for a very long time, but I will remember him for the rest of my life. I always wished that I had gotten the chance to meet him and Sandra a long time ago. The time that I did know him, he always had a sense of humor and never held back on saying what he wanted. I'm happy that I had the privilege to meet him, but I'm deeply saddened by his loss, my heart goes out to his beautiful family.

“ I worked with Ted for many years at Texaco. It was always a pleasure to shoot the bull with him as he had interesting opinions on almost any topic. Best wishes to his family during this trying time.

“ We only met Ted and Sandra a few short years ago..but in that time, they welcomed us into their lives and it felt as though we had known them forever!! Ted had such a wealth of knowledge that we could talk for hours about a wide range of things. He always amazed me because if a job needed to get done..he would dive into it and do it right the first time. The world lost a wonderful, caring and loyal man..Life at Lake Murvaul just won't be the same without him here....we will miss your companionship..Love, Lori and Doug Chauvin

“ I am not surprised that most of the pictures of Ted included hunting and fishing. That was his passion. I was a 13 year old cousin and I can recall the day he was born. I will always have fond memories of the times we spent together. Nelda Marsh Johnston

“ *When I think of Ted, I am reminded that he introduced me to
goose hunting & we shared over 25 years of that great sport
together, hunting on the same lease for 20+ years. I have great
memories of our times hunting & sharing our lives together. I'll miss
Ted's dry wit & chuckle of a laugh.*

*Sandra & Michael: Diane's & my thoughts & prayers are for your
strength & God's peace.*

“ Ted was my friend for many years and I will miss him. After a rocky start to our friendship, we both realized that we had more in common than differences. I enjoyed his company whether fishing, hunting, or just visiting on the phone. After I left Texaco, Ted was one of a few who kept in touch me. For that, I will always be grateful.

After retirement, Linda and I had the pleasure of visiting with Ted and Sandra at their beautiful home on Lake Murval.

May a smile replace your sorrow when you recollect his many stories about family, work, hunting or fishing, thus keep his memory alive.

Sincerely,

*Arthur and Linda Treviño

“ I worked, hunted and fished with Ted. Although we kind of lost touch with each other after we retired I often thought of the fun and stories we share when we were in the outdoors. I am thinking now about out trips to Circle Lake in Louisiana and the Christmas cards we used to get with Ducks on the front. I am sorry for your loss, may God lift you up in your time of sorrow.
