“ My prayers for the family's! Teresa and I were best of friends at Town and Country! We grew apart after school but she was in my thoughts so many times. I regret not being in touch for many years now. She was like a sister to me for so many years and after she and I got out of school and married we went our separate ways. I remember one time we were at school and it was snowing, she and I rolled up our pants legs and shirt sleeves and played in the snow, throwing snowballs at each other and telling everyone it wasn't cold outside! Time is so short folks! If there is someone from your past that you were close to and have drifted away from each other please reach out to them now as we are not promised a tomorrow! I am so sorry I didn't reach out to Teresa before this. R.I.P. My sweet friend until we meet again! Love, Kitty Gamble Auvil

“ I will never forget the great memories and fondness I feel for the Ford family and Mrs. Teresa. She was a very warm mother figure to me and a great example of a follower of Christ. Her sense of humor and smile was always welcome. Home made cinnamon rolls to gumbo, her home cooking along with her spirit made you feel like you were home. She was a great influence at a very impressionable time in my life and I am thankful to have known her. My prayers go to the family, my heart is heavy, but I know heaven is a rejoicing cause they received one of the best people I've ever known. God bless.
