“ This is a long time getting here but I just wanted to say what a sweet little boy Terry was. He would save a seat for me on the school bus every morning. Someone ask him why he saved the seat and he said because she smells good. I was nine years older than him but could never had a cuter or sweeter seat mat.

“ I am saddened at the news of Terry's death. Terry was an excellent pilot who worked for us for several years flying our aerial survey aircraft. We have many funny stories that he will forever be remembered. Our thoughts here at Aerial Viewpoint go out to his family.
