“ *I always felt welcome at the Anderson home. Mr. A was always good to put up with the crazy shinnanigans of his kids. He had a great knack of making us all feel like part of the family. I enjoyed the dubious title of son # 4 (or #3) for a time. He has been a great father and father figure for many. A great example of faithful humility and service to God.
*My prayers are with all the family.**
