“ Thomas was my uncle. He always called me "Neet Neet". He always loved the outdoors, fishing, gardening and animals. I was use to seeing him drive by my house in his little tan truck, and we would wave at each other. Last week on Saturday, he drove by going home, and this wave was different. He held his hand way up as if to say "Goodbye I won't be coming this way again" and he didn't. He will be missed everyday. It is amazing how the Lord works and prepares you for what is ahead.
