“ *Tom was always quick witted and had a dry sense of humor. No
doubt that there will be a void in the lives of his family and friends.
Your family is in our thoughts and prayers.*

“ I first loved Mr Warren because I loved Tom and Gretchen in high school. Both of their parents were all that a teacher could hope for as parents. But I really came to love him and respect him when his name changed from Mr Warren to Granddad. We shared Webber and Griffin. He was an even more wonderful granddad than parent. He showed those two boys not only what it means to be a man, but what it takes to be a gentleman. Both of my grandchildren benefitted from their time spent with him. I will miss him at Webber’s games but will always feel his presence there. Getting to know him was just one of the many benefits I have gotten from my years at CHS. It is very one of the best. God speed your trip across that river Grandad and heal our children’s grieving hearts.
