*I would sincerely like to pay my condolences to the McNair family and let them know how sorry I am for their loss. I had know idea and I know it's hard at any time, but especially at Christmas. I do know how proud your Mother is of you Colton, the same as I hear everyone else speak. You honored your father the way a son should, and he will always be with you an just as proud of you in death and he was in life. Tommy was a gentle soul and a kind, considerate man and would do anything for anyone if it were possible. Rest In Peace Tommy.

“*Words cannot express the amount of joy that Tommy brought into my life. He was a caring man who always put the needs of his kids over his own. He was a warrior. A kindred spirit who served mightily in the name of our lord and savior. He always had a smile on his face and was always humble. Tommy, taught me a lot about being an adult. He taught me how to be humble, to care for others needs and to always keep my head up. He was a soft spoken man... However, when he spoke, we listened. We always would talk about wrestling and football. Current events too! He was an awesome father figure who I admired deeply. He embraced me as one of his own and the amount of love he shared with me is something that I will always cherish.*

On behalf of the McCauley family, I want to send my thoughts and prayers to my best friend's family and fellow friends. Tommy is the epitome of a wonderful human. If I grow up to be half the man he was, I know I will make him proud!

I love you guys!

“ Spending the last few weeks with Tommy is something that Carl and I will treasure. Tommy was such a gentle soul and someone who fought with such Grace and Dignity and who never once complained. We will forever remember the special times that we shared years ago at family Thanksgivings and Christmas's. Tommy always was and always will be remembered as a very special Brother-n-Law. This man was always worried about how everyone else was doing and not so much about what the future held for him. We never left his hospital room or his home when he didn't reach out for our hand and tell us how very much he loved us. As I close I would like to tell Colton what an incredible job he has done for his daddy. Colton you have had to indure so much as a 21 year old and you are to be commended for taking care of your daddy the way you have. Tommy had the very best son in the world to take care of him. I know he was so very proud of you and I also know you will miss him dearly. Please know that you are very special to us and that we will always be here for you. In closing I ask each one of you to lift this family up at this very difficult time in their lives particularly during this Holiday Season. Tommy thanks for the memories !!!
