“ My memories of Tony are so many to name. He was once my
brother in law, friend, partner in crime. That man could fish like no
other. I got to set a many hook with him when we all got together in
Carthage/Grand Bluff.

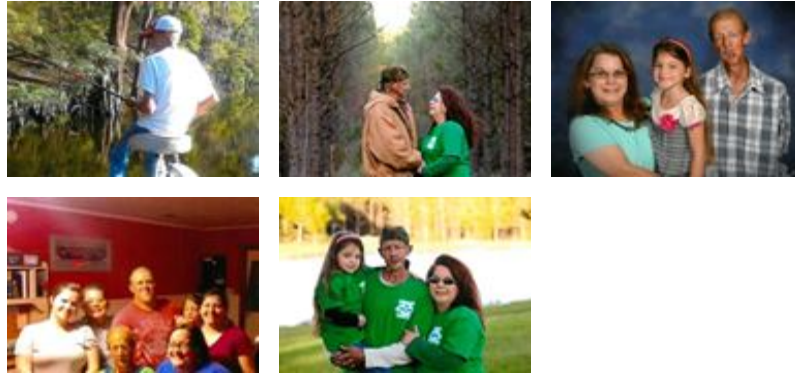

*I wish we could have spent more time together after my divorce.
Tony always treated me and my family so well. He has been a great
dad, hudband, granddad and friend.*

*I will treasure the memories my friend and will one day hear your
golden voice again!*

“ Tony was a great man, he loved his family , he loved the Lord, he was a strange man , he fought a hard battle and for a long time, he will truly be missed, he loved hunting and fishing, he finally caught the biggest catch, he is at peace. If one verse from the Bible could describe Tony it would be 2 Timothy 4:7 I have fought a good fight, I have finished my course, I have kept the faith. These three things he has done victoriously, he fought a good fight, he finished his course and he never lost the faith. We are surly going to miss you friend.
