*“Brains, looks, personality, plus
With these assets, who could fuss?” This is the caption beside his senior picture in the
1961 Beckvillian.*

*Tony was a classmate from 1st thru 12th grade. We both started with Mrs Sara Sealey
at FairPlay schools. We often laughed about our humble beginnings where we would
do our lesson then listen to her teaching the 2nd and 3rd grade. Tony was very popular
in many school organizations, including BHS band where he played trombone and
participated in a UIL completion reciting poetry at Miss Feemster’s request. He could
still remember lines from a creation poem at one our last reunions. Tony was a great
classmate and friend. We will miss him!*

“ My daddy was such a good man. I've had so many people share their memories with me over the last few days. They talked about how kind and positive he was and how they never heard him say a harsh word about anyone. Family was important to him. He had a strength about him even under the worst of circumstances that was to be admired. He was Pappy to his grandchildren. His face would light up when a new grandchild or great grandchild was born. I love you daddy so much and my heart is broken and I selfishly wish I could have just a little more time with you. I hope I made you proud in fulfilling your final wishes.
