“ *She always made you smile on your bad days I can never remember a day when she was mad or sad she was always happy. She would always care for you The one thing I remember the most about her is she that would always ask me if I wanted to go church. I'm really not sad that she is gone she would always talk about heaven and how good it is up there and how nice it would be there... now she is. I'm happy, now she is in a better place now and she is happier than ever and I'm glad of that. We all love you love Mason Davis*
