“ Sweet Violet! She was a customer of mine at East End State Bank in Houston. Such a sweet lady. Visited her several times at her home in the neighborhood. Always had a joyful smile on her face and I enjoyed our conversations. We struck up a friendship since we were both from Carthage. On one of my monthly trips home, I visited the grave site of her beloved husband in Gary, and brought her back a treasured photo. I think of her often. I recall a sister living next door, Charlsie.
