“ It has been 4 years today! You are love and missed by your family as the day you went to meet our Lord and savior. Your wife is a very strong woman. I know she has her days and is getting very tired. But each day she just gets up and takes care of Allen Wayne.. I know you are watching over them. And God knows what all she has had to endure and I know she will have many rewards in heaven.. Please give Mom and Dad hugs for me and tell them I love and miss all of you ❤️🙏🙏
