“ Oh Terri, my heart hurts for you. Try your best to lean on all the wonderful memories and times you two shared together and with your precious family and friends. I wish I had all the perfect words to tell you, this is all going to be okay. I love you and loved Scott and we will not express the love Dale Reed had for you both. I'm here if you need an ear or should and will keep you in my daily prayers. What a great and fun may your Scotty was. Think of him and laugh out loud. He loved others and was never overlooked for his generosity to many. I love you and do not put a time on your grief. We all grief differently! But, I know our precious Lord and Savior will carry us through. I love you and only a phone call away. 903-693-9092. I will be by to see you when life settles a little bit for you and your family, but here if you need me before then.
Love,
Joni Reed
