“ My Papa and I built this house together. We spent from the time I was 10 until I was 32 planning, preparing, learning, and completing my grandmother's house. He made countless selfless acts on mine and my family's behalf. We will never forget what a great man he was, and will always cherish our time together. These pictures are of my children and I, his great grandchildren Aslin Lila Darcy Moore, Laney Jo Reign, and Sean Kristopher Moore. We carry his legacy and the good things he taught us forward. We are forever grateful.
