“ Will was a great and loyal friend and he will be greatly missed. We were dear friends and deer hunting partners, we had been on a lease together for the last five or so years so we go to spend a lot of time together during hunting season. Camping and cooking and sitting around the camp fire enjoying the beautiful country . Will was a real life American hero who loved his country and his family and friends, he leaves us with many memories and wisdoms . Rest in peace we are better for having known you.
