“ My precious mommy went above and beyond for everyone she loved even some see didnt even know. Ive watched her care for her mother siblings and all of her kids and grandkids. She never stopped and never put herself first. The sweetest most generous woman you could ever know. I miss you so much mommy and will love you always.

“ *Oh what memory to share! From as long as i can remember every memory i can recall with my grandma winnie has flashed in my mind. She was there every day with me and my siblings from the butt crack of dawn til after mama and daddy got home. Never failed, she didnt have sick days or lazy days she was 110% there when you needed her. From homemade waffles or chicken and dumplings to homecoming mums or dresses. As much as it hurts to loose her, im so so happy that she finally gets to be with her love and her babies and her siblings and anyone else she has lost! She will live within me til the day i get to do the same!! I love you Grandma Winnie and I'm very blessed to of had you as my grandma!!*
