“ Want to say I'm so sorry for the family in this time. Our prayers go out to all of you. I only got the pleasure of meeting her once or twice but she was an awesome woman from what I saw and all I've heard. She I know will be missed.

“ You were one one of my moms best and dearest friends. Yall were so good to us when we moved to Houston in the early 70's and have been wonderful friends ever since. You were a huge part of my early childhood and always knew how to make us laugh. Our whole family adored you and feel yet another loss to our family today. I know you and mom are sitting up there tellin stories, laughin like old times and probably doing the Cotton eye joe together again. Knowing that and knowing you are at peace brings some comfort. Rest peacefully and know you are loved and will be missed.
